

Sinclair's cynical plan to infect the political process with "Stolen Honor" in the guise of news is reprehensible and corrupts use of the license you provide on my behalf.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard.

I rarely write even an amended form letter. This is so important, however, that everyone should be concerned.

Thank you.

Sincerely,

Bruce Jaques, Jr.
